

10 Reasons Why LeapCharger (UPSTREAM:LCCN)

-Needs to Be on Your Radar

1. **Strategic Market Position:** LeapCharger is entering a rapidly consolidating market, poised for growth through both expansion and acquisition, with 56 acquisitions in the EV charging sector since January 2023.
2. **Massive Market Growth:** The electric vehicle (EV) market is expected to grow tenfold over the next decade, creating a huge demand for EV charging solutions, which LeapCharger is well-positioned to capitalize on.
3. **Targeted Product Offerings:** LeapCharger offers three compatible hardware solutions that address major pain points in the EV charging market, ensuring they meet the diverse needs of EV owners.
4. **Government Support:** Global governments are investing heavily in EV infrastructure, providing a favorable environment for companies like LeapCharger to thrive.

5. **Experienced Leadership:** LeapCharger's leadership team has a proven track record of success in emerging growth startups, giving them the expertise to navigate this rapidly evolving market.
6. **Multiple Revenue Streams:** The company's innovative approach, including the integration of advertising at charging stations, creates additional revenue streams beyond just selling charging hardware.
7. **Retail Expansion:** LeapCharger is breaking new ground by introducing home EV charging solutions in Dubai supermarkets, increasing product accessibility and consumer engagement.
8. **Global Ambitions:** With plans to expand into North America, the EU, and South Asia, LeapCharger has a clear strategy for global growth, opening up new markets and revenue opportunities.
9. **Acquisition Potential:** Positioned as a strong acquisition target in a consolidating market, LeapCharger offers investors the potential for significant returns either through independent success or a lucrative buyout.
10. **Sustainability Focus:** Investing in LeapCharger is not just a financial opportunity; it's a chance to support the sustainable mobility revolution, contributing to a greener future while earning profits.

These reasons highlight why LeapCharger Corp. could be a strong investment opportunity for those looking to capitalize on the growing EV market and the ongoing shift towards sustainable technologies.

HOW DO I PURCHASE SHARES ON UPSTREAM?

Ready to trade now?

Download **Upstream: Invest&Trade** from your preferred app store:

<https://apps.apple.com/us/app/upstream-invest-trade/id1551958368>

<https://play.google.com/store/apps/details?id=exchange.upstream.app>

Create an Upstream account with just a password, and instantly fund it with a credit/debit card/PayPal for an

initial deposit as low as \$30, up to a maximum of \$1600. You can also fund using a bank wire transfer or USDC.

Then complete a simple KYC process to begin trading shares on Upstream.

Important: U.S. persons may not deposit, buy, or sell securities on Upstream.

FULL STEPS BELOW:

1. DOWNLOAD UPSTREAM: Invest&Trade and tap Sign Up. This will create your account/ wallet and 'signing key'.

2. FUND YOUR ACCOUNT. Instantly fund using Credit, Debit, PayPal, or USDC.

Tap Investor, Fund My Account, then tap your desired funding method.

You may also initiate a wire or transfer from your bank using deposits to Upstream accounts.

3. COMPLETE KYC. To complete KYC identity verification, tap the settings icon in the top right of the navigation, then tap KYC. Be sure to have a valid form of ID handy.
(Can take 15mins-24 hours before approval)

4. PURCHASE SHARES. Navigate to Market and find the listing, tap Buy, enter the number of shares you'd like to purchase and tap Buy.

Simply navigate to the Portfolio to find your shares.

*Payments from a bank: If you haven't already completed KYC identity verification in the app or didn't select 'Bank' as the 'Deposit From' option

on the payment details page when you completed KYC initially, please go through KYC again. On the payment details page, change the 'Deposit From' method by holding and scrolling "Card" until you reach "Bank." Enter your bank details and intended deposit.

Note that the intended deposit doesn't automatically pull your funds. You will need to initiate a wire or transfer using the details provided via email after your KYC is approved.

UPSTREAM BENEFITS

- **No Short Selling:** Upstream does not permit the short selling of issuers' securities.
- **Transfer Agent Integration:** Upstream's transfer agent technology helps solve for common deposit and custody problems issuers' shareholders face.
- **Accept Modern Payment Methods:** Allow global investors access to equities using debit, credit, PayPal, bank payments and USDC stablecoin.

This enables issuers to reach new investors around the world and increase liquidity potential.

- **Bankruptcy Protection:** Upstream maintains certain insurances and bankruptcy protections for cash and securities held by Upstream Members.
- **Web3 Shareholder Engagement:** Turn shareholders into customers and customers into shareholders with Upstream's digital coupon rewards program. Reward loyal shareholders' support with digital coupons (NFTs)

LEAPCHARGER CORP. | UPSTREAM: LCCN

<https://trader.upstream.exchange/token/detail/symbol/LCCN> that can be claimed, traded amongst other

Upstream users, or redeemed for issuers' products or services.

- **Streamlined On/Off Ramps:** Cryptocurrency holders enjoy a streamlined on/off-ramp to/from popular cryptocurrency exchange platforms. U.S. Dollar holders enjoy a fiat on/off-ramp to or from any U.S. or int'l bank when they sell their shares.
- **Full Sovereign Exchange:** Upstream is a MERJ Exchange Market. MERJ is an affiliate of the World Federation of Exchanges. As a fully regulated overseas stock exchange, Upstream is a peer to the OTC markets (i.e. Upstream is not a mini-market like an ATS or MTF). This means qualified issuers may cross-list Upstream securities in other global markets.
- **Next Gen. Trading App:** Upstream's trading app is available for download globally on all app stores, featuring simplified onboarding, real-time trading, automated market making, and transparent orderbooks.
